Just a few reminders:
Remember the RULE of 8.

If there is a second priest on the altar – Which EM is not needed? E2, so that the two priests are there at the center aisle.

If there are two deacons, which EM is not needed? C3 – so that there is a deacon on each side of the altar – C1 & C3.

If there are 3 Deacons, C2 should not approach the altar.

Sometimes I know these things ahead of time and I can schedule accordingly. But occasionally it happens for whatever reason and there has been some confusion.

Please remember to bring the sacred vessels to the Lay Sacristy after Mass. Only 2 or 3 are needed to wash and put away the vessels, but it takes everyone to clear the 4 chalices in the box, the priest's chalice & paten, ciboria, cruets – wine and water, purificators etc. As you can see, this is not a two-man job.

Our Liturgical instructions for Extraordinary Ministers says, "The "C" ministers are responsible for clearing the sacred vessels from the credence table on the altar." I understand that sometimes things come up and a "C" minister is not able to do this, so if everyone checks to make SURE it's done, there will not ever be a problem.

We are a team. Let's all look out for each other.
